

**ROUTE 250 BYPASS INTERCHANGE
At McIntire Road
STEERING COMMITTEE**

Draft Goals and Objectives

- Develop a context sensitive and functional design
- Minimize impacts to McIntire Park
- Accommodate projected (future) traffic
- Provide improved pedestrian and bicycle access
- Ensure a comprehensive public outreach effort that provides formal and informal opportunities for public comment
- Minimize construction impacts to the traveling public and surrounding neighborhoods
- Develop an economical design that meets the aesthetic goals of the community
- Provide a suitable gateway to the City and to McIntire Park
